

A My Story Original

The Summer We Saved the Moon

A family adventure, inspired by real memories.

Same people.
Real places.
A more magical story.
♡

1. The Arrival

A new place, new discoveries, and
a summer that already felt special.

2. The First Sign

That evening, Alex noticed something extraordinary in the sky.

*Some
moments
change
everything.*

3. The Lighthouse

Guided by the light, we discovered a hidden story.

4. The Moon Returns

Together, we helped bring the moon back to where it belongs.

*Real memories.
Brighter tomorrows.*
